Multiple Sclerosis Resources - "Continuing the Legacy of Bill Jackson"

Bill Jackson was a one-of-a-kind man, who dedicated the greater part of his life in the crusade to helping those afflicted with multiple sclerosis. Bill championed this cause with tenacity and determination for decades in memory of his wife, Mary. We, as an agency, will continue to honor the legacy Bill Jackson left behind after his passing in June 2021. We will continue to maintain his high standards; we will continue to provide quality client services, we will continue to educate diagnosed individuals and persons in the community on the disease and we will continue to support and assist individuals with MS to help them live their lives free of barriers and obstacles!

If you knew Bill, you knew of his love for basketball. In keeping with that love and his quest to help individuals with multiple sclerosis, we are creating a new campaign in his memory - **"The Bill Jackson Slam Dunk for MS Resources."** This is a way for us to continue to raise the much needed funds to support the work of Multiple Sclerosis Resources. For every \$10 dollars donated to this campaign, we will write your name or message on a basketball and dunk it in our traveling basket! The Basket will travel with the Home Team (MS Resources) to every MS event held in 2022! **Our goal is to dunk 500 basketballs by year's end!**
